Religious Ed. Catechist Volunteer Application 2018/2019

Name: _____

Often, adults are hesitant to be a catechist, feeling unqualified or worried that they don't remember everything from when they were a kid...but rest assured! I will be offering training for the volunteer catechists and assistants, including: how to lesson plan, how to lead kids in prayer, how to get back on the topic when kids go in another direction, how to find fun & creative resources, and more. The catechist edition of the textbooks also has a lot of practical support. Remember, I'm here to support you in every way possible!

It is also comforting to remember that no one (not even the Pope!) knows everything about the Faith. It's okay to tell the students that you don't know an answer but will find it and get back with them next time. You are just being asked to help, not take over for their entire religious education.

_____ **I would like to be a volunteer catechist:**

Create lesson plans, show up on time/early for class, take attendance, teach the material to the students, manage behavior, bring appropriate materials, ensure the facilities are left better than when you arrived, report concerns to the Director of Religious Education, attend Sunday Mass, *Love Jesus and the kids*.

_____ **I would like to be a volunteer assistant:**

Assist the catechist with the any of the above responsibilities, arrive on time/early for class, report any concerns to the Director of Religious Education, attend Sunday Mass, *Love Jesus and the kids*.
